

## **WORD: June 25, 2015—A Prophetic-Historic Moment In Eternity**

Debra Jack

I received this word on Thursday, June 25 and felt led by Holy Spirit to address the congregation of New Beginnings Christian Fellowship. We stand correctly, as the News puts it, *at a historic moment in history*, but I believe few understand what this really means.

As many of you know, this last week the Supreme Court ruled in favor of two history-changing issues/events: 1) Obamacare, and 2) Same-Sex Marriage.

These were preceded by abortion being legalized in 1973, which was also a history-changing issue/event.

First let me say that all these issues alert us to the fact that satan is alive and well and now forcefully planning and implementing his governmental overthrow of the United States of America. These issues and many more were created by the devil to not only tear down the fabric of our nation, but change the face of the United States as we know it, in order to specifically create an “antichrist” atmosphere and government. This *must* happen to embrace the man, the Antichrist, who is soon to be revealed and come to power. All of these issues are to not only change the atmosphere of America, but to align her with the Antichrist agenda and administration. Obamacare is only the storefront business camouflaging what is really going on--the real business in the back of the store. It is not just a “health-care” plan as some believe it to be. It is 20,000 pages of *hidden agenda*, constructed to attack the very Constitution of the United States and also the Declaration of Independence. It is a plan of destruction to tear down a nation and build a new one—of which its creator, President Obama openly admitted and warned on April 17, 2015: “This is a new America. We had better get used to it.” (The Israel Post) Abortion, the gay rights movement and Obamacare have hidden agendas that will assist and enable the Antichrist to remove morality by redefining and therefore, remove God’s moral laws, decrease the population in order to control and prepare the nation as a new America.

The key Scriptures that explain what has happened and where we are going are:

Proverbs 21:2—“Every way of a man *is* right in his own eyes, But the LORD weighs the hearts.”

Judges 21:25—“In those days *there was* no king in Israel; everyone did *what was* right in his own eyes.”

Isaiah 55:8-9—“For My thoughts are not your thoughts, neither are your ways My ways,” declares the LORD. <sup>9</sup>“As the heavens are higher than the earth, so are My ways higher than your ways and My thoughts than your thoughts.”

The United States is now officially a people without God’s laws ruling our nation—with a depraved people who are now setting the standards in America.

While Rick and I deeply mourn, at the same time, we also greatly rejoice!

We deeply mourn because we are seeing the Fall of the United States. The LORD said to me: “The United States is the *last nation to fall*. This nation, through My influence and blessing through intercession and

prophecy has kept her strength and courage for the *appointed time*. Now it is time. Now, the United States must align with the nations of the world.”

In January of this year, our president stated these very words: “The U.S. needs to catch up to the rest of the world.”

God is not going to judge America based on or because of its sin. I have always said that. He will judge America because it has rejected the *Grace of Jesus Christ*, first and foremost. Grace has always and is today our only healing, freedom and deliverance from sin. Once Grace is rejected, then sin runs rampant, is the vanguard, and reigns through demonically induced power.

So the issues of the Supreme Court rulings is not solely immorality. It is a rejection of God’s Grace through the redemption of Jesus Christ, which were the founding Biblical principle on which this nation was established.

The LORD brought to my mind Hebrews 6:4-6—*“It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the Word of God and the powers of the coming age and who have fallen away, to be brought back to repentance. To their loss they are crucifying the Son of God all over again and subjecting Him to public disgrace.”*

I have always viewed this word of Scripture from a personal-individual point of view; however, the LORD revealed to me that this was in relation or in connection to the United States of America in this hour in history.

The United States of America has stayed strong in many senses to the Gospel of Jesus Christ, however, there has always been a remnant *more committed*. This will be as true in this hour. The remnant will come forth and be the Committed Ones.

The LORD says, “Do not be discouraged or dismayed. Do not get alarmed as you see this Fall quickly happening. Know that while the devil has his plan; *My plans will manifest and prevail*. Know and understand Me as your Sovereign! Know that you belong to My Kingdom and not to a nation upon the Earth.

The LORD continues to exhort: “My people, come out and be separate. Be strong and very courageous. You will see things that you have never seen before. The young people will have it most challenging. They are a part of the young adult movement I birthed in 1983 called the “Explosion of Light, the White Horse Chariots.” Few know today about this movement, but it is strengthening by leaps and bounds. This young adult movement is intertwined with prayer, power and healing and they will RUN forth in this hour as champions. This young adult movement are singers and musicians--song birds releasing the power of Heaven on Earth. Their help will be the olders who have wisdom—not all olders—the olders with My wisdom, who are not consumed with self. The olders will be their intercessors. The olders will be the prophetic voices who speak over them to declare My Will. The olders will be behind their backs to uphold and protect. Too many young people are going to their own peers for counsel; they are going to the unlearned, inexperienced and worldly influenced, for counsel. This is not My plan. The olders and youngers need to connect—NOW! Moses and Joshua—Samuel and David—Naomi and Ruth--Elizabeth and Mary--Paul and Timothy.”

“The LORD says, “There is an internal civil war in America that will escalate and manifest, but do not be moved. STAND. And when these things begin to happen, look up--lift up your heads, because your Redemption draws near.”

Now, the United States is Falling—not will eventually Fall—*is Falling now*—at the same time there will still be a mighty remnant to STAND on God’s Word, Will and Ways. To STAND on His Promises. The power of Almighty will flow in this hour uninterrupted.

So, we rejoice in this! And we rejoice that as we see these things—we know that the Millennial Reign of Jesus Christ is about to begin!

The LORD exhorts: “Love one another, encourage one another, submit to one another. I said submit. Obey. Take care of one another. Repent. Raise up disciples. Walk in my wisdom and revelation—not your own. All these things are a safety net and will keep you prepared and ready for anything and everything that comes your way. Preach the word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction!

Do not lose VISION! Do not STOP! Declare My Word! Declare the prophecies spoken both personally and corporately! I will fulfill them quickly!” Says the LORD of Host!
