

2016 Word of the LORD

Prophet Debra Jack: *“Then the LORD reached out His hand and touched my mouth and said to me, “I have put my words in your mouth. ¹⁰See, today I appoint you over nations and kingdoms to uproot and tear down, to destroy and overthrow, to build and to plant” (Jeremiah 1:9-10).*

Note: While many may think so, no word of personal prophecy is ever guaranteed to happen, except that which is Written. It wasn't guaranteed in the Bible (many personal prophecies were not fulfilled over people's lives) and it is not guaranteed in our life. If we desire prophecy to be fulfilled in our life then we must believe, receive and cultivate it. On the flip-side, warnings of judgment can also be diverted through prayer, which is always God's will.

A Year of Dual New Beginnings

The following is what I believe the LORD is saying for 2016.

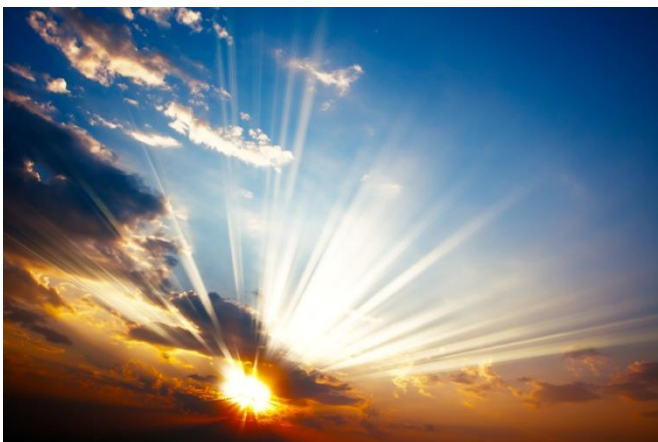

Significant SCRIPTURES: Proverbs 4:18-19 – *“But the path of the righteous is like the light of dawn, that shines brighter and brighter until the full day. The way of the wicked is like darkness; they do not know over what they stumble.”*

Isaiah 60:1-2 – *“Arise, shine; for your light has come, and the glory of the LORD has risen upon you. ²For Behold, darkness will cover the earth and deep darkness the peoples; but the LORD will rise upon you and His glory will appear upon you.”*

2016 seems to be an unusually peculiar, strange and extraordinary year, full of perplexing and remarkable events. I believe that both Proverbs 4:18-19 and Isaiah 60:1-2 set a clear precedence for this year.

Dual New Beginnings

First, I believe the LORD is showing me a “dual new beginnings” for 2016. These dual new beginnings coincide with one another and are in direct opposition to one another; of opposite directions. One new beginning is wonderful, powerful, renewing, restorative in nature and full of Light. The other will range from unpleasant to terrible and appalling, being full of deep, thick darkness. One involves construction and the other destruction.

The FIRST NEW BEGINNING is in relationship to those who will die to self, giving themselves over to complete faithfulness to Jesus Christ and belief in His finished work.

This new beginning is prophetically directed at Christ's Church, which will produce (manifest) His Truth and Light based in His salvation through a new level of revelation-understanding. I believe the LORD is showing me that this new beginning with a new level of

understanding will release a power and authority that has not been witnessed or experienced since biblical times. It will catapult us into a new level of love for God and others; a new level of trust and faith in our LORD. A new level of faithfulness that will endure through trials, testings, and persecutions. I am seeing that this new beginning will be similar to and resemble a baptism – the true Church will be immersed in it.

The LORD showed me three important and probably familiar Scriptures in relationship to this new beginning:

Isaiah 43:18-19 (NASB)—*“Do not call to mind the former things, or ponder things of the past. Behold, I will do something new, now it will spring forth; will you not be aware of it? I will even make a roadway in the wilderness, rivers in the desert.”*

Isaiah 42:9-10a (NASB)—*“Behold, the former things have come to pass, now I declare new things; before they spring forth I proclaim them to you.” Sing to the LORD a new song, sing His praise from the end of the earth!*

And, Isaiah 48:6b—*“I proclaim to you new things from this time, even hidden things which you have not known.”*

While all of these Scriptures have enough prophetic interest, out of which hundreds of teachings could easily come, I sense the LORD would have us focus on simply the word, *new*. The word for *new* in these passages does not refer to *new* as in *existing for the first time*; it comes from the Hebrew word, *chadash*, which means *renew, restore, refresh* and repair.¹

One thing we must realize: God is doing nothing new! He has already done—finished everything He intended in creation for all time. Everything was planned and finished at the time of creation when the foundations of the world were laid.² We just haven’t understood or received this. God created everything in Genesis with His perfections – everything was “good”. All planned and future creation was given the same mandate. We now know and understand that all of that was interrupted by and through the fall of mankind in sin and thus apprehended by satan. Jesus Christ our Redeemer and Savior rescued us from satan’s domain of darkness and transferred us into His Kingdom.³ That means that we are in a time of renewing, restoring, refreshing and repairing to God’s original plan and purpose for us personally and His Church as a whole. We are now entering into this prophetic new beginning in a greater way.

This new beginning will cause the light to go on in respect to our salvation—the gift Christ has given us through His death, burial and resurrection. This new beginning will cause the Body of Christ to become receiving, believing receptacles.

(If you think you already know what *salvation* means, you may want to check out the definition of salvation from my article on this site, *“Other Things About 2016 You May Be Interested to Know!”*)

This new beginning will involve a much deeper walk with the LORD that will involve the manifestation of salvation—including healing and deliverance. 2016 will be a year of much and great healing and deliverance. Many who have suffered for years will have sudden healing and sudden deliverance.

In fact, healing and deliverance *must* be apprehended.

In conjunction, 2016 will be a year of much spiritual growth in the Church causing it to establish deeper roots and grounding which will release a new [restored] level of spiritual authority – something that will be greatly needed in the days and months ahead!

There will be much individual breakthrough this year as well.

Out of all this, a powerful Church will arise with the glory of the LORD being revealed in and through it. There will be much joy and rejoicing in the true Church despite what is happening in and around us.

Praise and worship is about to move to a whole new [renewed, restored refreshed] level – it will manifest some of the very activities of Heaven on Earth. **In fact, it will be so strong in some places and at times that angels will manifest among the saints worshipping. Many will have “Throne-Room” experiences. The Manifestation Gifts of the Holy Spirit will operate without fail and will put the Enemy in “shock and awe!”**

The anointing of the Word on prophesying, preaching and teaching will produce a warmth-like fire that will be felt as if one were sitting around an open campfire. It is the fire of Holy Spirit manifesting. This fire will literally draw people. It will purge and purify, heal, deliver, and empower one with holy boldness (bravery, courage, God-confidence making one audacious).

The Faithful Church is being constructed.

The other new beginning for 2016 involves the extreme opposite. This new beginning is diabolically opposed to God and the work of Jesus Christ. The Antichrist is arising! He is standing in the wings waiting for his time and his stage curtain to open. This new beginning will involve an insurgence of renewed and restored greater and thicker darkness—if that can even be imagined. This is a new level of darkness of the likes we have never seen. A new level of deception of which the LORD calls, “hypnotic deception”, has been adhered to this darkness and released in conjunction with it. This hypnotic deception will create zombie-like people. (See my article on the NBCF website, *“Other Things About 2016 You May Be Interested to Know!”*)

This new level of darkness will also involve a new level of satanic/demonic power; a new level of hatred and anger; a new level of idolatry and witchcraft in the world. All of this is absolutely essential preparation for the rise of satan in the earth during the 7-year Tribulation. And this new beginning will involve a *fraudulent and apostate church* arising.

Ezekiel 20:16—“. . . Because they rejected My ordinances, and as for My statutes, they did not walk in them; they even profaned My Sabbaths, for their heart continually went after their idols.”

The great apostasy and separation in the Church has already begun. Sides have been drawn in the sacred sand. This year will produce clear evidence of the *Fraudulent Church* (which is fallen, apostate) and the *Faithful Church*. The fraudulent will become more fraudulent; the faithful will become more faithful. The great pretending is over. As the Fraudulent become more fallen and apostate, they will turn on and persecute the Faithful. They will hurt the Faithful. They will side against the Faithful. However, the Faithful will be strong and very courageous, cloaked in grace. The Faithful will be full of the glory of the LORD and experience power as never before realized. This is not a feel-good glory and power—it is full of confident assurance, i.e. faith and authority. This will be a sign.

The LORD is showing me that lots of invalid Church doctrines will begin to be torn down and away. This will also have a dual new beginning. Erroneous Church doctrines that defy the finished work of Jesus Christ, the hyper-grace teachings and more will be exposed, but there will be those who are desperately hanging on. Denominationalism will begin to visibly crumble because it is religion-driven. All religion on the Earth is aligning for the Antichrist. Only relationship with the living God will endure and remain faithful. Cultish Pentecostalism will be exposed. Christ is purifying His Church! The Cross of Christ and His Resurrection Power will be restored and cover His true Church with a Revival Blanket – a cloud of Revival that will not lift until He Returns. A shining faithful Church, full of the glory of the LORD will arise—but know this, it will arise under tremendous persecutions.

Denominations that remain with their erroneous doctrines will be separated with the goat nations from the sheep.⁴

The Catholic Church will grow by leaps and bounds this year. I believe this idolatrous church makes up the greatest part of the apostate church that will be used in these final moments of the Last Days just as it was used in the First Days.

All of this second new beginning is the beginning of great destructions.

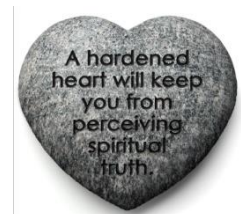

2016 is the year to cautiously and vigilantly see, watch, perceive and discern. We do this only through Holy Spirit.

It is interesting
AYIN represents the
means *transference*
a symbol of
and by extension to hear and obey.

that the 16th letter of the Hebrew alphabet is AYIN. The letter number seventy in the Hebrew alphabet and numerology. (70 of God's Spirit; increase; restoration⁵ i.e. new beginning.) It is perception and insight. The word AYIN means 'eye'; to see

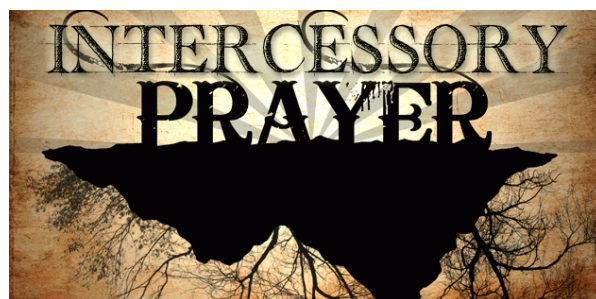

Because of the level of deception arising, we cannot afford to live without this perception and insight. Without perception and insight we cannot even receive the good things of God.

This year there will arise *Hard Intercession* releasing Light. This will be a year for hard or difficult intercession in many ways. It will be a “war room” experience. It will be war room intercession. But we need to know that it will be difficult because intercession will be greatly fought by satanic force.⁶ Satan hates and is furious with this form of prayer – he will do everything he can to stop it. Therefore, in this new level of thick darkness arising are greater demons specific for this hour; the Light will be fought very forcefully in every respect. In fact, those in darkness will not recognize the Light at all without intercession. I am reminded of John 1:4-5--“*In Him was life, and the life was the Light of men. The Light shines in the darkness, and **the darkness did not comprehend it.***”

The LORD says, “Intercession will involve releasing the Light of Jesus Christ.” We are not to take this lightly (no pun intended). Intercession will involve praying forth revelation—illumination over and into the hearts of those who are affected and steeped in thick darkness. This type of prayer is a MUST. The darkness will be so thick that we cannot pray for someone to simply receive salvation; we must prepare the way for the LORD in their hearts by releasing Light to them. We must pray for these in thick darkness to be enlightened in their spirits. We must speak enlightenment and the Light over their darkened spirits.⁷ Intercessors must do this standing firmly in faith and the authority of Jesus Christ. It will seem difficult, like you are hitting a brick wall; but there *will be* penetration. I see a brick wall. But through intercession, the grout between the bricks will fall away; then the brick themselves will begin to crumble. A little penetration of LIGHT will go a long way! After Light penetration the walls will be breached.

This links also to SEEING and DISCERNING! Intercessors are to WATCH and SEE. Through prayer you will help those in darkness SEE the Light.

TIMING and CONSTANCY WILL BE EVERYTHING. Much intercession will take place in the darkest watch of the day when people are in the deepest sleep and their spirit is quiet –able to listen.

Psalm 4:4-5 is a prayer to pray over those in darkness while they sleep: “*Tremble, and do not sin; meditate in [search] your heart upon your bed, and be still. Selah. ⁵ Offer the sacrifices of righteousness, and trust in the LORD.*” (NASB emphasis added). The One New Man Bible reads, “*Stand in awe! Do not sin! Commune on your bed with your own heart and be still. Selah (pause, be still, be quiet). Offer the sacrifices of righteousness and put your trust in the LORD!*” (Verses 5-6)

The LORD will also send Intercessors to walk and speak “Light” over whole communities, towns, cities. These are Light-Releasing Walks. Intercessors will declare, “We release the LIGHT of Jesus Christ to this area!” As they declare the Light, penetrations of Light will break through the thick darkness.

Finally, War Room intercession releasing Light will be used to release Heaven into Earth where God's people dwell and need Heaven's supernatural assistance and intervention. Many, many need *supernatural* answers, direction, guidance, ideas and help in general. Intercessors have the authority to release such.

Break Free from Babylon. The LORD dropped heavily in my spirit earlier in the year that His people *must* begin to break free from the Babylon System. In short, the Babylon System is a *worldly* spiritual, economic, and governmental system. Most all of us are in it one way or another; but the primary way Christians are attached is through economics – financial. And most are content in it because it feeds and fuels us. But our contentment is about to be seriously interrupted. The Babylon System was conjured up by Nimrod-satan (Genesis 11) and will be completely destroyed by God (Revelation 18). There's been no shortage of prophets over the last few years telling the Body of Christ to break free and get out of this satanic system. The problem for some is not that they don't want to--it's how to. For others, they just don't see the need or reason to get out. Many still believe it's ridiculous thinking.

The LORD says that He is ready and willing to show each and every Believer the way out of this system because it is His will. We start by understanding and believing first that we need to get out of it. Then we trust and obey God. We believe Him and His Word. We put our faith in Him and Him alone. For many, this means that belief and obedience to God's Word will have to be upheld – in every area of life. Faith will be tested.

Choose this day who you will serve. Trust and serve God! He will see you through and show you the way!

(See more on this in my article on the NBCF website, "*Other Things About 2016 You May Be Interested to Know!*")

We all know that wars and rumors of wars are scheduled prophecies to continue until Jesus returns. We have gotten a taste for what this really means in the United States. I feel like the LORD is warning us that the devil, satan himself, has already released a principality over America causing *the dividing of states*. The term, "The Divided States of America" will be spoken more and more as mini-civil wars increase and culminate.

And while we deal with internal trouble, terrorists' threats will be realized. At the very same time, we need to keep our eye on Russia—much increased activity through breach is being planned.

The Middle East will continue and increase in its warfare activities. I see Prime Minister Benjamin Netanyahu of Israel “turning” this year. The Christian Church needs to know that this may happen on our watch, but nevertheless, we are mandated by God to pray for and support Israel.⁸

The 2016 Dirty Presidential Election

I feel like the LORD is also giving us a heads-up about the upcoming 2016 Presidential Election in the United States. I heard Him refer to it as the “Dirty Election,” meaning it will be defiled, polluted and corrupted. How much so, I do not know. Possibly prayer can stop this; but it depends on what God is allowing in respect to judgment.

Christian Believers must take this election very serious.

I will take a risk and say this: Whether or not the Election even happens, one way or the other the glory of the LORD will rise upon His people and He will be glorified as God Most High!
