

2019 New Year's Eve Word

*Spoken by Prophet Debra Jack, Sr. Leader of NBCF
at the New Year's Eve Service*

The LORD says, "Shed the past right now!
Forgive, forget, and forgo the past!"

"Deal with anything that is hanging on. Separate from it. Sever it. In order to do this, you must see and recognize every stronghold built from the past. In order to do this, you must hate it. Genuinely and forcefully seek deliverance.

"It is deception to believe you can move ahead with the baggage and burdens from the past. You cannot and you will not. In fact, you will also stop others from moving ahead."

Jesus said, "Let the dead bury the dead." (Matthew 8:22) He said effectively, "Instead, you come and follow ME!" Don't be dead in spirit and don't follow dead people, don't go after dead things.

In essence, we are to ditch the past like a bad date! Allow Christ to permeate your life with His truth and His life. Allow Holy Spirit to permeate your path in the "NOW!"

As we follow Jesus, His victory frees us and empowers us forward IN THE NOW!
