

THE CHANGING OF THE GUARDS

Debra Jack, Sr. Leader—Prophet of NBCF

The following Word came forth to me while at Intercessory Prayer at NBCF on December 27, 2019.

I might add that this Word did not come forth as usual for me. It literally came out of my mouth with no notice—unplanned and unexpected, bypassing my brain and will altogether as when we pray in tongues.

The LORD said, “It is time for the CHANGING OF THE GUARDS.” (Notice the word, guards, it is plural.)

Before I share this vision, I must say that while the vision happened at NBCF and seemed to be for NBCF, I felt it was also for the greater Church. So, I believe I am saying that the LORD was speaking the CHANGING OF THE GUARDS for the greater Church!

After the LORD said, “It is time for the Changing of the Guards, I saw many, many large angels step up and fill the stage and sanctuary. First, they filed on the stage area along the back wall and the front edge of the stage surrounding and sandwiching the praise and worship team in the center of them.

Then they filed along the back wall and side walls of the sanctuary. Finally, they filed in along every row in the church where people would sit—so behind every row of people were a row of angels. As they took their places, I knew this was the CHANGING OF THE GUARDS that the LORD had just decreed.

Again, these angels were large and very military-like. Their facial traits were very strong, almost chiseled looking. They were intimidating, aggressive, determined, uncompromising and magnificent looking. Difficult to explain. In other words, these angels were very warfare-like and thus, very serious about *why* they were there and *what* they were there with (as in possession of). In other words, they aren’t messing around and they do not expect God’s people to mess around either. While I did not see weapons on these angels, I instinctively felt they were armed.

And they definitely came in knowing they were replacing other angels. They all had on white robe-type clothing, but they also had on long scarfs and sashes (that matched); each one was different in color. Some had on red, some, blue, some green and some gold. Others’ scarves were iridescent in color. These colors were brilliant and I knew the colors represented what they were there to do.

I felt in the spirit that these new angelic guards were there to not only replace mantles, but support new mantles on the people for this Hour—mantles being new and greater anointings with authority. At the same time, I felt these angels were not only there for individuals, but for corporate groups of the Body working together as an army to take ground. They were there to see that Heaven’s plan and will was enforced. In other words, these angels have access to the Courts of Heaven.

It’s seems surreal even now as I put this vision in print and at the same time it makes so much spiritual sense to me in respect to the Hour we are in. Our Father and the LORD Jesus Christ have a great plan for their Church in this Hour—one that supersedes our minds!

The interpretation of this vision does not take too much at this point because it is so literal in many respects.

Angelic activity is not only amping up in this Hour, it is increasing and changing to meet the Hour. In other words, there is going to be a high-level of angelic activity from here on out. As well, angels are being sent with special, stronger, and greater *mantles, assignments and anointings*. They have been released to cause a shift and a reset in this Hour.

Many years ago we visited Buckingham Palace in London, England. Unfortunately, we didn't get to actually see the Changing of the Guards, but we did get to see some of the guards that guarded the palace. I can tell you that you didn't want to mess with these guards, although it amazed me at the number of young people who tried! These soldiers were extremely serious about their job and they were armed with both a rifle and a sidearm to accomplish it. So, as I interpret this vision, all this comes to mind as I visually see the guards at Buckingham Palace. And again, the LORD gave the term in plural, the Changing of the Guards, meaning, many, many.

The colors the angels wore all have meanings:

Red: the Blood of Jesus; warfare; passion

Blue (royal): Holy Spirit; Heaven; heavenly visitation

Green: Life; provision; rest; peace

Gold: Overcoming; holiness; wisdom; glory

Iridescent: Luminous colors that seem to change when seen from different angles. These shimmering multi-colors are multi-faceted gifts, ministry, etc.

These colors are not limited to the simple meanings I have given; these meanings represent the mantles—*anointings with authority and empowerments that are being placed on Believers*. In other words, the very mantles of anointings with authority upon Believers are increasing considerably because of the CHANGING OF THE GUARDS.

We are to move into revelation and faith in the area of which these angels move among us. They have been sent to partner with us, yes; but more so, they have been sent that we might partner with them—in other words, partner with the Courts of Heaven—with God!

The LORD is asking us all, “Will you partner with these that I have specifically sent to you for this Hour? If you will, you will succeed in all that I have called you to.”

While I presented this word to NBCF on Sunday, 12/29, I am typing this on January 1, 2020. This morning I came upon a prophetic word for 2019 by Apostle-Prophet Jane Hamon that I had in my prophetic stash. Even though Jane recorded for 2019, I jumped with joy when I read this:

“At the ninth hour, the Angel Gabriel appeared and began to give Daniel understanding and instructions. We are coming into a time of angelic encounters in which we are not just comforted or inspired by the presence of angels, but rather are empowered with clarity and insight for the days ahead. The angel’s instruction enabled Daniel to

lead God's people in a national shift, out of the survival of captivity into a revival as God's people and with a vision to repossess their promised inheritance."

Hallelujah! Get ready Church for new mantles through the *Changing of the Guards!*

Note: One final note that I would like to put with this. On Sunday, December 29, 2019 as I presented this vision to NBCF, we had a young man visit whose name of Gabriel! For certain, this was NOT the angel Gabriel. But, what are the chances of that happening? I felt a prophetic confirmation simply by this happening.
